International Society for Business and Industrial Statistics 2019 Election CALL FOR NOMINATIONS

The Nominations Committee for the 2019 election is in charge of finding nominees for the following executive positions:

- President Elect
- Vice President for Scientific Program
- Vice President for Membership & Outreach
- Vice President for Communications
- Vice President for y-BIS
- 4 Council Members

The submitted candidates must be **ISBIS members in good standing**. Following the elections by-laws, the Nominations Committee needs to balance regional representation, especially in the Council (its continuing members are from North America, Middle East and Africa, so that nominees should be from different areas). The new officers will assume their 2-year positions in August 2019.

The Nominations Committee has identified suitable candidates but it would also like to involve the ISBIS membership inviting them to submit suggestions for the available positions by **February 28, 2019** via e-mail to **Fabrizio Ruggeri** at **fabrizio@mi.imati.cnr.it**.

Fabrizio Ruggeri, Chair of the 2019 Nominations Committee
