

# Submitting your CPS Paper

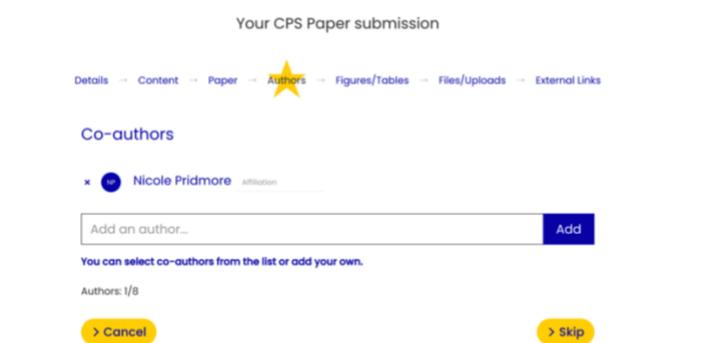

If you've been invited to submit a CPS Paper or edit your abstract, the link in the email you will receive will take you to this view. Click 'Submit CPS Paper' or 'Edit Abstract' to continue.

The details and content will be brought from the abstract you had submitted. If you don't wish to change this, click 'Skip'.

Upload your supporting paper. Click 'Save'.

If you wish to change the co-authors, figures, uploads and link please do so in the next steps. If you do not want to change this information, click 'Skip' on each step.
