

# Uploading your IPS Paper

The screenshot shows the ISI World Statistics Congress website. The main navigation bar includes 'Home', 'About', 'WISC 2023 Details', 'Scientific Programme', 'Plan your trip', 'Create WISC Account', 'FAQ', 'Partners', and 'Registration'. The page title is '64th ISI World Statistics Congress - Ottawa, Canada'. Below the navigation bar, there are two main sections: 'Submit an Abstract or Paper' and '64th ISI World Statistics Congress - Ottawa, Canada: New IPS Paper'. The 'Submit an Abstract or Paper' section has two options: 'IPS Paper' and 'IPS Abstract', each with a 'Create new' button. The '64th ISI World Statistics Congress - Ottawa, Canada: New IPS Paper' section has a 'Title\*' field, an 'Add a brief description of the session\*' text area, a 'Presenter:' dropdown menu, and a 'Name of the designated presenter during the WISC' field. At the bottom of this section are 'Back' and 'Next' buttons.

Click 'Create new IPS Paper'.

Enter the title and short description.

If relevant select a presenter from the dropdown menu.

Click 'Next'.

The screenshot shows the 'Your IPS Paper submission' form with the 'Details' tab selected. The form has a breadcrumb trail: 'Details' (active) - Content - Paper - Authors. The 'Title\*' field contains 'My IPS Paper'. The 'Presenter:' dropdown menu is set to 'Ms Jemma Worldspan'. Below this is the text 'Name of the designated presenter during the WISC'. The 'Add a brief description of the session\*' text area contains placeholder text: 'Lorem ipsum dolor sit amet. Non magnam quod et voluptatum ipsa sit illum quis. Ad perspiciatis iure est voluptas deleniti ut voluptatem consequatur sed minus alias eum quia autem et veniam doloribus. Sed nobis eligendi eum voluptates sequi aut natus sint?'. Below this is the text 'What you put here will appear on the abstract listing page. If you are not sure what to put, use your abstract background or introduction. Maximum 500 characters.' The 'Select a Keyword:' field contains 'Add a Keyword'. Below this is the text 'Choose from the list or add your own'. At the bottom of the form are 'Cancel' and 'Skip' buttons.

Enter any keywords.

Click 'Save'.

The screenshot shows the 'Your IPS Paper submission' form with the 'Content' tab selected. The form has a breadcrumb trail: 'Details' - 'Content' (active) - Paper - Authors. The 'Abstract\*' field contains placeholder text: 'Lorem ipsum dolor sit amet. Non magnam quod et voluptatum ipsa sit illum quis. Ad perspiciatis iure est voluptas deleniti ut voluptatem consequatur sed minus alias eum quia autem et veniam doloribus. Sed nobis eligendi eum voluptates sequi aut natus sint?'. Below this is the text 'A short descriptive piece explaining your presentation (500 words)'. The 'Word count: 41/800' is displayed. At the bottom of the form are 'Cancel' and 'Skip' buttons.

Enter the content of your paper.

Click 'Save'.

### Co-authors

Add an author... **Add**

You can select co-authors from the list or add your own.

Presenters: 0/0

Authors: 0/4

> Cancel

> Skip

Upload your supporting paper.  
Click 'Save'.

Add in your co-authors.

When you start typing in the text box a list of members will appear for you to choose one. If they don't exit, click 'Add'.

Click 'Save'.

Once your abstract has saved, it will take you to your abstract dashboard in your account.

Use the buttons to view, edit and submit your paper. Once you click 'Submit' the edit and submit button will no longer be active.

Clicking on the title of your abstract will show you an overview of your paper.
